• Question 6.02

As being declared as a "First Degree Archaeological Site", the site is subjected to Conservation Legislation.

Comment

The property falls within the framework of Turkey's Protection of Cultural and Natural Properties Act No. 2863, and also Statutory Decrees No 644 and 648. Both Xanthos and Letoon are registered as the "First Degree Archaeological Site" to be preserved and they are both left within "Patara Special Environmental Conservation Zone" boundaries.

4.2.2 - Is the legal framework (i.e. legislation and / or regulation) adequate for maintaining the Outstanding Universal Value including conditions of Integrity and / or Authenticity of the property?

An adequate legal framework for the maintenance of the Outstanding Universal Value including conditions of Authenticity and / or Integrity of the World Heritage property exists but there are **some deficiencies in implementation**

4.2.3 - Is the legal framework (i.e. legislation and / or regulation) adequate in the buffer zone for maintaining the Outstanding Universal Value including conditions of Integrity and / or Authenticity of the property?

An adequate legal framework for the maintenance of the Outstanding Universal Value including conditions of Authenticity and / or Integrity of the World Heritage property exists but there are **some deficiencies in implementation**

4.2.4 - Is the legal framework (i.e. legislation and / or regulation) adequate in the area surrounding the World Heritage property and buffer zone for maintaining the Outstanding Universal Value including conditions of Integrity and / or Authenticity of the property?

An **adequate** legal framework exists for the area surrounding the World Heritage property and the buffer zone, but **there are some deficiencies in its implementation** which undermine the maintenance of the Outstanding Universal Value including conditions of Authenticity and / or Integrity of the property

4.2.5 - Can the legislative framework (i.e. legislation and / or regulation) be enforced?

There is **acceptable** capacity / resources to enforce legislation and / or regulation in the World Heritage property but some deficiencies remain

4.2.6 - Comments, conclusions and / or recommendations related to protective measures

Landscaping Projects for Xanthos and Letoon are produced and tendering process for their implementations are underway.

4.3. Management System / Management Plan

4.3.1 - Management System

There is no steering group or full-time site manager/coordinator, although one would be needed. The current management system is considered sufficiently effective.
